

TEDCO enhances economic development by fostering an inclusive and entrepreneurial innovation ecosystem. We identify, invest in, and help grow technology companies in Maryland.

# MARYLAND'S SOURCE FOR START-UP SUCCESS

## LEADING INNOVATION TO MARKET

### FUNDING

#### TECH TRANSFER

Moving innovations from the research lab to the commercial sector to create new ventures and to make new products and cures available to the public.

##### MARYLAND STEM CELL RESEARCH FUND

Accelerating human stem cell-based research and cures through grants to public and private entities in the State.

##### MARYLAND INNOVATION INITIATIVE FUND

Accelerating to market promising technologies with significant commercial potential from Maryland academic research institutions.

#### PRE-SEED INVESTMENT

##### BUILDER FUND

Supporting the development of start-up companies run by entrepreneurs who demonstrate a socially or economically disadvantaged background that hinders access to traditional forms of capital and executive networks at the pre-seed stage.

##### RURAL BUSINESS INNOVATION INITIATIVE FUND

Supporting the growth of technology-based companies in the rural areas of Maryland.

#### INVESTMENT

##### SEED INVESTMENT FUND

Working alongside entrepreneurs to drive the next wave of start-ups.

##### MARYLAND VENTURE FUND

Investing in early-stage companies to grow the next generation of outstanding businesses in Maryland.
